Dear ~~Mr.~~ Costa:

This letter is notification that the total funding allotment for Central Utah Public Health Department for FY2010 is \$116,085. As we discussed with you and John Vercoe during our April 30 visit, the change reflects:

- A decrease in General Fund base of \$4,765. Due to the economy, the Legislature decreased DEQ's General Fund budget by 22%. While I had made a commitment to hold Local Health harmless if the cuts were 15% or less, at the 22% level I have little choice but to pass on a portion of the decrease.
- Reduced UST funding from \$13,740 to \$13,670. This yearly amount increases or decreases based on proportionate changes in the number of tanks in each district, compared to the total number of tanks in the State.
- All other funding remains the same.

I understand that a reduction in funds means a reduction in services you will be providing. Per our visit, DEQ agrees to the following changes in the workplan:

- The Division of Drinking Water (DDW) agrees to accept paper reports, as you requested, as long as they continue to be received in a timely fashion. This means weekly for the bulk of the sample results. The laboratory staff will need to continue to call the water system operators for total coliform positive samples and the water system operators and DDW staff (Janet Lee 801-536-0088) for e.Coli positive samples. The lab will also need to continue to meet the laboratory certification requirements administered by the Department of Health.

- The Division of Environmental Response and Remediation (DERR) understands Central will not be doing follow-up on spills in the future.
- DERR also understands Central will no longer do inspections (informal reports) on old, closed sites for the Brownsfield and USTfield programs.

This is the third and final year of the work plan negotiated between you and DEQ. Funding and adjustments become effective July 1, 2009. Annual reports on current fiscal year work will be due by August 31, 2009. A reminder e-mail will be sent. Please place a copy of this letter in your contract file for future reference.

Thank you for your continued partnership efforts.

Sincerely,

A handwritten signature in cursive script that reads "Bill".

William J. Sinclair  
Deputy Director
